

ST. MARY'S LENT A HAND

St. Mary's Episcopal Church in Manchester serves the community with four events.

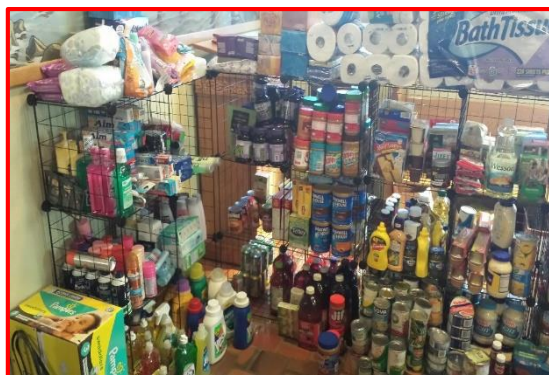

BLANKETS FOR BABIES

Over forty baby blankets (made by St. Mary's knitters) were delivered to Manchester Memorial Hospital Birthing Center.

WALLED OUT HUNGER FOR MACC

Parishioners walled out hunger collecting household goods and food items for MACC Charities (Manchester Area Conferences of Church) in Manchester. In total 144 bags of items were dropped off. MACC expressed their thanks for items like laundry detergent, dish detergent, cleaning items, toilet paper, paper towels and other toiletries. They are always low on those items. There were also very thankful for much needed food items like cereal and pasta sauce. MACC was amazed at the amount that came in, and it really couldn't have come at a better time.

TEENS & ADULTS SERVED AT MACC

The J2A Group, parish teens and the adults on two separate occasions served a meal to the residents living at MACC. The church organizes serving a meal every other month.
